RE: Eagle Outreach Ministries, Inc. / Military Families Revitalization Project

SUBJECT: Acknowledgement of offer to provide Humanitarian Funding

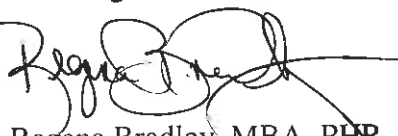

On the behalf of the concerned citizens against poverty in the state of Indiana, I thank you for offering to secure funding for the Eagle Outreach Ministries, Inc. "Humanitarian Project" submitted by Rev. Michael Montgomery, which enables him to carry out imperative social programs that will enhance poverty alleviation, combat community deterioration, and provide inspirations of hope to indigent people and military families.

We are honored to be in a position to acknowledge this humanitarian funding, that will improve the economic and social conditions while enriching the lives of disadvantage people and military families. As a consulting firm, we are elated to acknowledge Eagle Outreach Ministries, Inc. as the developer to implement the various initiatives in housing, community development, and education to receive these funds and will endeavor to provide all necessary support and assistance so these funds are utilized towards the benefit of disadvantaged people and military families.

Again, we thank you for your kind offer of funding Eagle Outreach Ministries, Inc for the benefit of people looking for an opportunity to better themselves and strengthen their family structures. We look forward to hearing from you at your earliest possible convenience. Please feel free to contact me at (317) 273-8903 or by email at eliteconsultingsolutions@yahoo.com should further clarification regarding the content of this letter be necessary.

Thank you in advance for your support.

Best Regards,
